¹If you are performing a 'cover tune', you probably own your own performance of that song (IPR), which is what this column is asking for. For 'cover tunes', you must provide mechanical licensing to perform the work from the publisher or from the Harry Fox Agency (www.songfile.com).

²If you don't have the rights to a performance (i.e., someone else owns the master recording), then you must obtain a license to include the performance on your disc and include proof of license agreement with your order.
